WORDS OF HARMONY

Preserve Harmony in your own soul and it will flow out to all others, for it is more powerful than you understand and more far-reaching.

Sink all thought of self, all personal ambition, the small jealousies and suspicion which mar the heart's melodies, in love of the work and devotion to the cause. Listen to the great song of love, compassion, tenderness; and losing yourself in that, forget these passing shadows.

United, harmonious, your power is limitless; without these you can do nothing. See to it then that your tone in the great instrument be pure and clear, else discord will result. Behind all sin and suffering — shadows these — lie the divine harmonies of reality. These seek and finding, lose not.
