LIFT UP YOUR HEADS

FTMT1 p.

Can ye see the faint flush of the daybreak, ye Children of Light? It
hangeth low in the cosmic darkness as yet,
but eyes not holden may catch a gleam of its brightness,
ears not dulled hear the clarion note in the distance.

The Day Star is rising, rising, rising, and,
though sky and earth seem drenched with blood-red reflections
— the first emanations of darkness —
the golden light cometh to redeem, to sanctify,
to bless the hard-pressed children of Maya.

Lift up your heads,
strengthen your weakened knees,
bind closer the burdens ye bear,
turn your eyes to the East,
and watch, wait and work.

— Hilarion
