THE DIVINE BUILDER WITHIN

FTMT3 p.140

My child!

Thy heart, in longing, does ask of me that which is in truth thine own: the power to build. For thine is the power to build the bridge that would span the great abyss of broken laws of God in willful shame and evil gain, that once again thy feet may tread the Path thereon. That power has been won by thee in thy Holy union with me, sent by God to restore His Kingdom on Earth within thee and other souls who have heard the Call, and answered God with — “Here.”

Build, O Divine Builder within, build me a form strong and true.

Build it of Love, of Wisdom, of Will, build it of true Knowledge faithfully instilled.

Build it so sure that love is fulfilled in the service of God — of His Divine Will.
